In accordance with the "Procedure for Prequalification and Award on New Jersey Turnpike Authority Construction Contracts", you have been prequalified to bid on construction contracts for the Authority on both the Turnpike and Parkway. You are eligible to bid on any contract for work within the following classification(s) and rating(s):

| CLASSIFICATION               | RATING               |
|------------------------------|----------------------|
| 10. Electrical Work, Highway | \$10,000,000 Maximum |

EFFECTIVE DATE: July 31, 2025

EXPIRATION DATE: July 30, 2026

Based on the submission of a reviewed financial statement instead of an audited financial statement, the classification rating(s) for your firm has a \$10 Million Maximum limitation and is subject to a reduction by one rating from which you would have otherwise been entitled, as prescribed in N.J.A.C. 19:9-2.7(b)(3)(iv).

The Contractor's Qualifying Statement form for filing your renewal along with prequalification requirements is available on the Authority's web site as follows:

<http://www.njta.com/doing-business/construction-and-maintenance-contracts>

then click on "Contractor Prequalification Requirements."

In order to be continuously eligible to submit bids for construction contracts undertaken by the Authority, your next Contractor's Qualifying Statement to prequalify in classification should be submitted one month before the above expiration date.

Very truly yours,

Daniel L. Hesslein, P.E.  
Chief Engineer
